

REUSABLE TAG AND STRAP APPLICATION

Step 1

Unfasten the blue strap from any Velcro, then push the blue strap through both slots on the chip so that the strap passes underneath the chip. Pull the chip down the blue strap until it is about half an inch from the end, and pull the blue strap snugly against the back of the tag.

Step 2

Fasten the blue strip to the small Velcro square at the end of the orange strap, then place the strap snugly around your ankle with the chip on the **outside** of your ankle and press the Velcro to ensure a solid clasp.
